Dear Judge Cote:

We represent Plaintiff in the above-referenced matter. On February 7, 2013, the parties agreed to settlement terms after a Settlement Conference before Magistrate Judge Ellis. In accordance with the terms of your attached Order dated February 8, 2013, this matter is to be dismissed as of March 10, 2013, without prejudice to an application to restore the action to the Court's calendar.

We regret to advise the Court that, as of today's date, Plaintiff has not received settlement funds and the parties are still in the process of finalizing the settlement. We understand that as regards the Release by the plaintiff, it is currently being reviewed by counsel for D.C. Dyna and DHL Global Forwarding. We also understand that the co-defendants may be considering a separate release between themselves.

Therefore, we respectfully request that this matter be restored to the Court's calendar and the Court grant an extension to the attached Order up to and including March 22, 2013. We hope that will be sufficient time to conclude this matter.

*The action is restored to the Court's  
calendar. The 11/27/12 Scheduling Order  
remains in effect.*

*Denise Cote*
